

MODEL ACADEMY

The Prestigious School of MIER ISO 9001:2008 Certified
Affiliated to the CBSE (Code No.730068)

PROSPECTUS

**EMINENT EDUCATIONISTS AND
FOUNDERS OF
MODEL INSTITUTE OF EDUCATION & RESEARCH**

**Sh. H.L. Gupta
(1912-1983)**

&

**Smt. Shanti Gupta
(1919-1999)**

The emblem for MIER epitomizes the mission, vision and objectives that have been set for this Institute. The picture of book in the emblem signifies high quality education, training and specialised knowledge which MIER provides in diverse fields of education. Displayed on the book is the word "श्रेष्ठ". The meaning of this Sanskrit word is "EXCELLENT". This refers to the high quality of teaching learning process at MIER. The human mask or "persona" is a Greek symbol for "personality" and symbolizes exaltation of human personality - mind, body and spirit. It also stands for promoting optimum human resources development and social welfare. The magnifying glass highlights the focus on research activities so as to generate innovative ideas which can be put into practice. The two torches indicate that the frontiers of knowledge need to be extended and boundaries of ignorance must recede continuously. The above symbols put together contribute to opening of new avenues of employment, technical and professional development. The stars stand for the highest standards MIER strives to attain as a centre of advanced learning, training and research.

CHAIRMAN'S MESSAGE

It gives me immense pleasure to welcome you as a student of Model Academy. Your School enjoys the proud and unique distinction of being an Institution with rich history, traditions and proud achievements spanning over a period of eight decades.

Thousands of students have received their education in our school since 1936. Many of them have risen in life to occupy highest offices with honour, respect and status.

Model Academy stands affiliated with the Central Board of Secondary Education, New Delhi up to 10+2 level. A lot of changes have been made in the school by way of new infrastructural facilities and educational practices to enable you to compete with students studying elsewhere. We hope that we can bank upon you and your parents so that you can put in your best efforts and excel in the examinations on all India basis. Our teachers have the experience, qualifications, confidence and capacity to provide you personal supervision, guidance and encouragement to enable you to put your best foot forward.

I welcome you to be a member of our unique family and urge you to work hard along with your teachers so that best in your body, mind and spirit can be unfolded and you can graduate from the school with flying colours.

On behalf of the management and staff, I assure you of our fullest support and cooperation in developing your personality and potential to the maximum so that your parents, your school and the society feel proud of you.

I assure you of our best attention at all times and wish you a happy, healthy, meaningful and memorable stay in the School.

(Dr. Arun K. Gupta)

DIRECTOR'S MESSAGE

I welcome you all to Model Academy the prestigious school of MIER. It is a matter of great pride that after 79 years of hard work and glorious services it has attained the status of a CBSE school. We shall have to rededicate ourselves to the progress and prospects of taking Model Academy to greater heights in the years to come. The task is not easy but we have not to get daunted by the challenges and should overcome these with renewed enthusiasm and energies.

I would like to congratulate you for choosing this school which has a great history of producing most illustrious alumni. We hope and believe one day you will also carve a niche for yourself by becoming big in life.

We should all look up to the future and have full faith in our abilities to make this institution a truly global one where traditions along with progressive outlook should go hand in hand. We expect you to participate actively in all activities and develop a wholesome personality.

I wish best of luck to all the students in their future endeavours and pray to God to give them strength to come out with flying colours in examinations and co-curricular activities in the year ahead.

Stay happy and blessed.

Renu Gupta
(Dr. Renu Gupta)

Model Institute of Education & Research (MIER) is an autonomous, non-profit making, non-governmental organization devoted to the promotion of education, (general, technical and professional), research, training, social welfare and new technologies according to the best emerging trends in theory and practice. These aims make MIER a unique educational institute of its kind in India for optimal human resources development.

The institute was founded as a school in 1936 by Late Shri H. L.

Gupta and Late Mrs. Shanti Gupta who nurtured the institute with selfless dedication, missionary zeal and hard work before it was incorporated in the present form in 1975 as Model Institute of Education and Research.

The Institute has two campuses; one at B.C. Road, and the other at Kot Bhalwal, Jammu, with all requisite and modern facilities, where learning needs of over 4000 learners are being met, from the preschool to the doctoral level.

The Institute has over 300 highly

qualified, experienced and competent staff. The programmes of MIER are tuned to the achievements of Excellence, Quality, Self-reliance, Collaboration and Innovation through sharing and networking.

The MIER group is managed professionally by a leadership team comprising experts in diverse domains such as education, liberal arts, science and engineering. The leadership team has put in place a strategic plan to ensure that the MIER group continues to build on its past to reach new heights.

SET UP AND STRUCTURE

At present, MIER has the following different institutions (units) functioning under its auspices offering a variety of courses and programmes.

MODEL ACADEMY

A 10 + 2 Prestigious school stands recognised by the J & K Govt. and is affiliated to the **Central Board of Secondary Education (CBSE), New Delhi**. It is the first school in the J&K State to receive the ISO 9001:2008 Certification. A branch of the school up to sixth grade also functions at Residency Road, Jammu. Model Academy has completed 79 years of glorious educational services to society. Humming Buds the prestigious Preschool for tiny tots aged 2+ to 4+ also runs under the aegis of Model Academy.

MIER COLLEGE OF EDUCATION (Autonomous)

Established in 1981, the college, ISO 9001:2008 Certified and NAAC accredited with 'A' grade, is permanently affiliated to the University of Jammu. It is also recognized by the University Grants Commission under sections 2(f) and 12 (B) of the UGC Act as a post graduate institution. The UGC has conferred autonomous status to the MIER College. The college offers full time **B.Ed. (General), B.Ed. Special Education (Mental Retardation) and M.Ed. programmes.**

MODEL INSTITUTE OF ENGINEERING AND TECHNOLOGY (MIET)

MIET was established in 1996 and is the first Engineering College in J&K State to have received the NAAC accreditation and ISO 9001-2008 certification. It has carved a niche for itself amongst engineering institutions in the country. At present, the following courses are being offered:

- a) Computer Science & Engineering
- b) Electronics and Communication Engineering
- c) Electrical Engineering
- d) Information Technology Engineering
- e) Civil Engineering

The following two PostGraduate programmes are also being offered by MIET.

- a) Master in Computer Applications (MCA)
- b) Master in Business Administration (MBA)

VISION

To serve the cause of education by preparing enlightened individuals equipped with knowledge, abilities and skills to effectively operate as responsible & productive citizens and leaders in diverse environments by integrating emerging pedagogies and technologies, creativity, values, research and ethical practices.

MISSION

To establish Model Academy as a front ranking high quality institution preparing educated, responsible and productive future citizens by providing multi-mode instructional facilities congruent with global trends based on excellence, innovation, research, new pedagogies and technologies through self-reliance, collaboration, diversification and service to the society.

Model Academy, one of the most prestigious schools of J&K, was founded in 1936 by the eminent educationists and visionaries Late Prof. H.L. Gupta & Late Smt. Shanti Gupta. From a very humble beginning, the school has become an educational institution par excellence and has completed 79 years of glorious service to society. The school is dedicated to the task of multifaceted personality development in which cognitive, psychomotor and affective domains are well catered. The school has achieved astounding success and created a niche in the society by producing students who have reached highest echelons in society.

Model Academy is recognized by the J&K Govt. and is affiliated to the Central Board of Secondary Education (CBSE), New Delhi. It is a pioneer in providing ICT based teaching and learning facilities in the State of J&K and has seamlessly blended the benefits of traditional teaching with modern educational requirements thereby creating a sound learning environment for effective growth and development of the students.

A branch of the experimental school up to sixth grade also functions at the Residency Road, Jammu.

First private institution in Jammu Region

First co-educational school in Jammu

First higher secondary school in J&K State to receive the ISO 9001:2008 certification for its quality management system.

UNESCO Associated School

Over 30,000 Alumni

National & International Linkages

Pioneer in using Educational Technology

OBJECTIVES

1. To achieve not less than 95% success rates in all exams every year.
2. To make the classroom learning environment more lively and enjoyable by using interactive information and communication technologies covering at least 40% of the curriculum.
3. To improve the competence level of existing staff in at least one of the following areas
 - a) Communication Skills
 - b) Computer Skills
 - c) Instructional Skills
 - d) Measurement, Evaluation and Assessment Skills
 - e) Managerial Skills
 - f) Skills Organising out of Class Activities
 - g) Skills in Maintaining Records and improving Accountability
 - h) Pupil Support and Guidance
 - i) Action Research
 - j) Hobbies, Fine Arts and Creative Activities
 - k) Development of Self and Behavioural Modification
 - l) Conducting Technology Supported Classes
 - m) Using Language Laboratory
4. To strengthen the image of the school in respect of Quality Education, personality development & national character building which can be measured by the number of new admissions, number of students getting through various competitive exams, winning prizes in different fields per year.

ADMISSIONS

Admissions Under Regular, Freeship and Inclusive Category

ADMISSIONS under Regular Category

Applications for admission in Classes 1st to 12th can be submitted from the month of February till April. There is direct admission for Classes 1st to 9th based on merit of the student in the previous class. However, admission to class 11th is made only after the declaration of Board result of Class 10th and students who have passed their class 10th with marks as per the criteria established by the school are given admission. For Classes 10th and 12th admissions are given to meritorious students only after seeking post facto approval from the Central Board of Secondary Education (CBSE), New Delhi.

Application form for registration is attached with the Handbook. The application form can also be downloaded from our website www.modelacademy.in. The application along with registration fee is to be sent as indicted in the form. **The registration fee is non-refundable.**

Once the admission is confirmed, deposition of school fees and other formalities need to be completed.

Admission under Freeship Category

In order to help students belonging to the weaker segments such as scheduled caste / scheduled tribe, below poverty line and students from RBA/LAC areas, the management is pleased to announce reservation up to 20% of seats under the freeship category in order to enable them to receive quality education. Admissions under this scheme are made by a committee constituted by the Director, School Education, Jammu as per agreement with the J&K Govt. Prescribed form for admission under this category are available from the office.

Inclusive Education

The management is pleased to provide admission to students with mild learning disabilities and mental retardation under the inclusive education programme. The purpose of this programme is to provide equal learning opportunities to these students and help them in developing relationships and prepare them for life in the mainstream. Parents desirous of seeking admission for their ward should contact the admission incharge.

ACADEMIC INFORMATION

The Primary, Middle & Secondary School Programmes

The curriculum adopted by the school provides a rich and purposeful experience to each and every child ensuring their overall personality development. There is a clear focus on enhancing their level of understanding, improving their subject knowledge, creating interest through activity based learning and refining their skills. The school provides a harmonious learning environment which helps inculcate the spirit of competition and cooperation, builds values and enables children to achieve their absolute best academically as well as developing confidence and a wider understanding of the world around them. This is also reflected in our objectives, mission statement and our vision.

Primary School Programme (Class 1st to 5th)

Subjects: Languages (English/Hindi /Urdu),
Environmental Studies, Math
Others : General Knowledge, Computer
Education and Arts & Craft

Middle School Programme (Class 6th to 8th)

Subjects: Languages(English/Hindi/Urdu),
Math, Science, Social Science
Others : General Knowledge, Computer
Education, Arts & Craft and Third
Language (Hindi/Urdu)

Secondary School Programme (Class 9th to 10th)

Subjects: Languages(English/Hindi/Urdu),
Math
General Science -
Physics, Chemistry, Biology
Social Science -
History, Civics, Geography, Economics
Other : Computer Education

Continuous & Comprehensive Evaluation (CCE)

The main aim of CCE is to evaluate every aspect of the child in the school. As a part of this system, students will be evaluated through a series of curricular and extra-curricular evaluations along with academics. The aim is to reduce the workload on students and to improve the overall skill and ability of the students by means of evaluation of other activities. Grades are awarded to students based on work experience skills, dexterity, innovation, steadiness, teamwork, public speaking, behavior, etc. to evaluate and present an overall measure of the student's ability. This helps the students who are not good in academics to show their talent in other fields such as arts, humanities, sports, music, athletics.

Each academic year will be divided into two semester (I&II) and examination will be held at the end of each semester. There will be two types of Assessments : **Formative & Summative**
For Class specific evaluation scheme, kindly refer to the school diary.

ACADEMIC INFORMATION

The Senior Secondary School Programme

The Senior School Curriculum aims to provide students with opportunities to grow and explore various higher education career options available for their self-fulfilment and training. The students are encouraged to acquire tools to deal with new technologies and to manage and accommodate change and develop moral, ethical and cultural values. The curriculum focuses on the requirements and capabilities of learners and aims at developing core competencies which a global 21st century citizen should possess. The school offers the senior secondary curriculum of the CBSE in three streams i.e. Science, Commerce and Humanities with the following subject combinations catering to the diverse needs of the students

Medical Subject Combination

Compulsory				Optional
Group-I	Group-II	Group-III	Group-IV	
General English	Physics	Chemistry	Biology	Math/IP/PHE/CS/Multimedia & Web Technology

Non-Medical Subject Combination

Compulsory				Optional
Group-I	Group-II	Group-III	Group-IV	
General English	Physics	Chemistry	Math	Bio/IP/PHE/CS/Multimedia & Web Technology

Commerce Subject Combination

Compulsory				Optional
Group-I	Group-II	Group-III	Group-IV	
General English	Business Studies	Accountancy	Economics	IP/PHE/CS/Multimedia & Web Technology

Humanities Subject Combination

Compulsory				Optional
Group-I	Group-II	Group-III	Group-IV	
General English	Psychology	Sociology	Economics	IP/Multimedia & Web Technology /PHE

Besides the above subject combinations, General Studies and Work Education will be a part of the curriculum for all streams.

Class XI final examination is conducted internally by the school where as the Class XII board examinations are conducted externally by the CBSE. Number of papers, duration of examination and marks for each subject/paper are as specified in the curriculum by the CBSE. Marks/grades are awarded for individual subjects to the students.

SCHOOL ACTIVITIES

Co-curricular Sports Houses

Co-curricular Activities

The school provides an effective platform for students to pursue different hobbies and give boost to their creative talents. Various functions and events are organised to celebrate important days and festivals and ensure maximum participation in these events.

Educational Trips are organized on regular basis to give students exposure in different fields like leadership, team building, life skills, etc.

It is mandatory for the students to choose one hobby of their choice from the various activities like Karate/Judo, Vocal and Instrumental Music, Aerobics, Dance(Classical/Modern), Painting, Yoga, etc. which have been introduced by the school for the benefit of the students. The students are also assessed for their performance in the hobby of their choice and are given grades accordingly.

Sports Activities

Model Academy, an abode of holistic development, considers participation in sports as an essential component of academic pursuits. Therefore, a comprehensive programme has been created in order to provide an opportunity to the students for nurturing their physical, social and personal development and to ensure development of various skills and competencies for playing different games and sports.

Extensive and impressive outdoor and indoor facilities for Basket Ball, Volley Ball, Badminton, Cricket, various athletic events, Table Tennis, Chess and Carrom are available in the school. Specialised coaches are employed to guide and train budding players and students are being encouraged to take active part in various events at state and national level. The school has also started a cricket academy at its campus.

House Activities

The purpose of the house system is to inculcate a sense of discipline and leadership amongst students and also to encourage participation of all students in every educational and co-curricular based programme.

The students are divided into four Houses viz:

- 1) Newton
- 2) Einstein
- 3) Edison
- 4) Darwin

The school organises a number of inter-house competitions where the houses compete as teams against each other in various events. Points are allocated to each house based on their placings at the end of every competition as they all vie for the enviable position of the "Best House of the Year". These competitions also allow students to learn the importance of team work and to build on their leadership skills.

SCHOOL ACTIVITIES

Scouts & Guides NCC Clubs

Scouts and Guides Unit

The aim of Scouts and Guide unit of the school is to encourage the physical, intellectual, social, emotional and spiritual development of the students so that they play a constructive role in the society as responsible citizens.

The unit organizes various camps and activities like Pratham, Diwtya and Tritya Sopan for the students on regular basis. More than a 100 students have enrolled them selves in the scouts and guides programme of the school.

The unit also prepares students for Rajya and Rashtrapati Puraskar Tests. Many Students have won these coveted prizes on numerous occasions and brought laurels to themselves, their school and parents.

Scouts and Guides of the school also contribute in various social awareness programmes organised by the school.

NCC Naval Unit

The NCC Naval Unit of the school aims to develop qualities of Character, Leadership, Comradeship, Courage, and Discipline amongst the young cadets enrolled in the programme. The students develop a spirit of adventure, secular outlook and the ideals of selfless service by participating in a number of activities organised through NCC camps at various locations throughout the year.

The cadets learn boating, swimming, rigging, firing, ship modelling and about various means of communication at the camp. These cadets also perform various activities during the school functions.

Our NCC cadets have won various awards including the 'Best Cadet Award' numerous times at the annual training camps organised by the Naval wing of the NCC.

Clubs Activities

There are four main clubs for the overall development of students.

ECO Club organises different activities with a goal to create groups of responsible individuals who have knowledge, awareness and commitment to meet the challenges of nature conservation, environmental protection and related issues.

Drama Club provides a platform to channelise the untapped potential of our budding artists in dramatics.

Heritage Club inculcates respect and affection for heritage and concern for its protection and conservation among children.

Interact Club through its service based activities helps Interactors demonstrate helpfulness and respect for others, understand the value of individual responsibility and advance international understanding and goodwill.

LEARNING RESOURCES

Library Science Labs Smart Classrooms

Library

To introduce the students to the beautiful world of books and to inculcate good reading habits in the students, the school has three fully automated libraries one each for the primary/ middle wing, secondary wing and the senior secondary wing.

The school library is well stocked with over 7000 books that cover all academic subjects. Besides this, there are a number of storybooks, encyclopaedias, and General Knowledge books covering all genres. A reference section is also available for teachers and students. Computers and Internet connection have also been provided in the library.

These indispensable and constantly updated resource centres of knowledge make learning more enquiry based, effective and enriching.

Labs

The science labs in the school are well equipped with apparatus and chemicals and provide first-hand experience of all practical activities to each student.

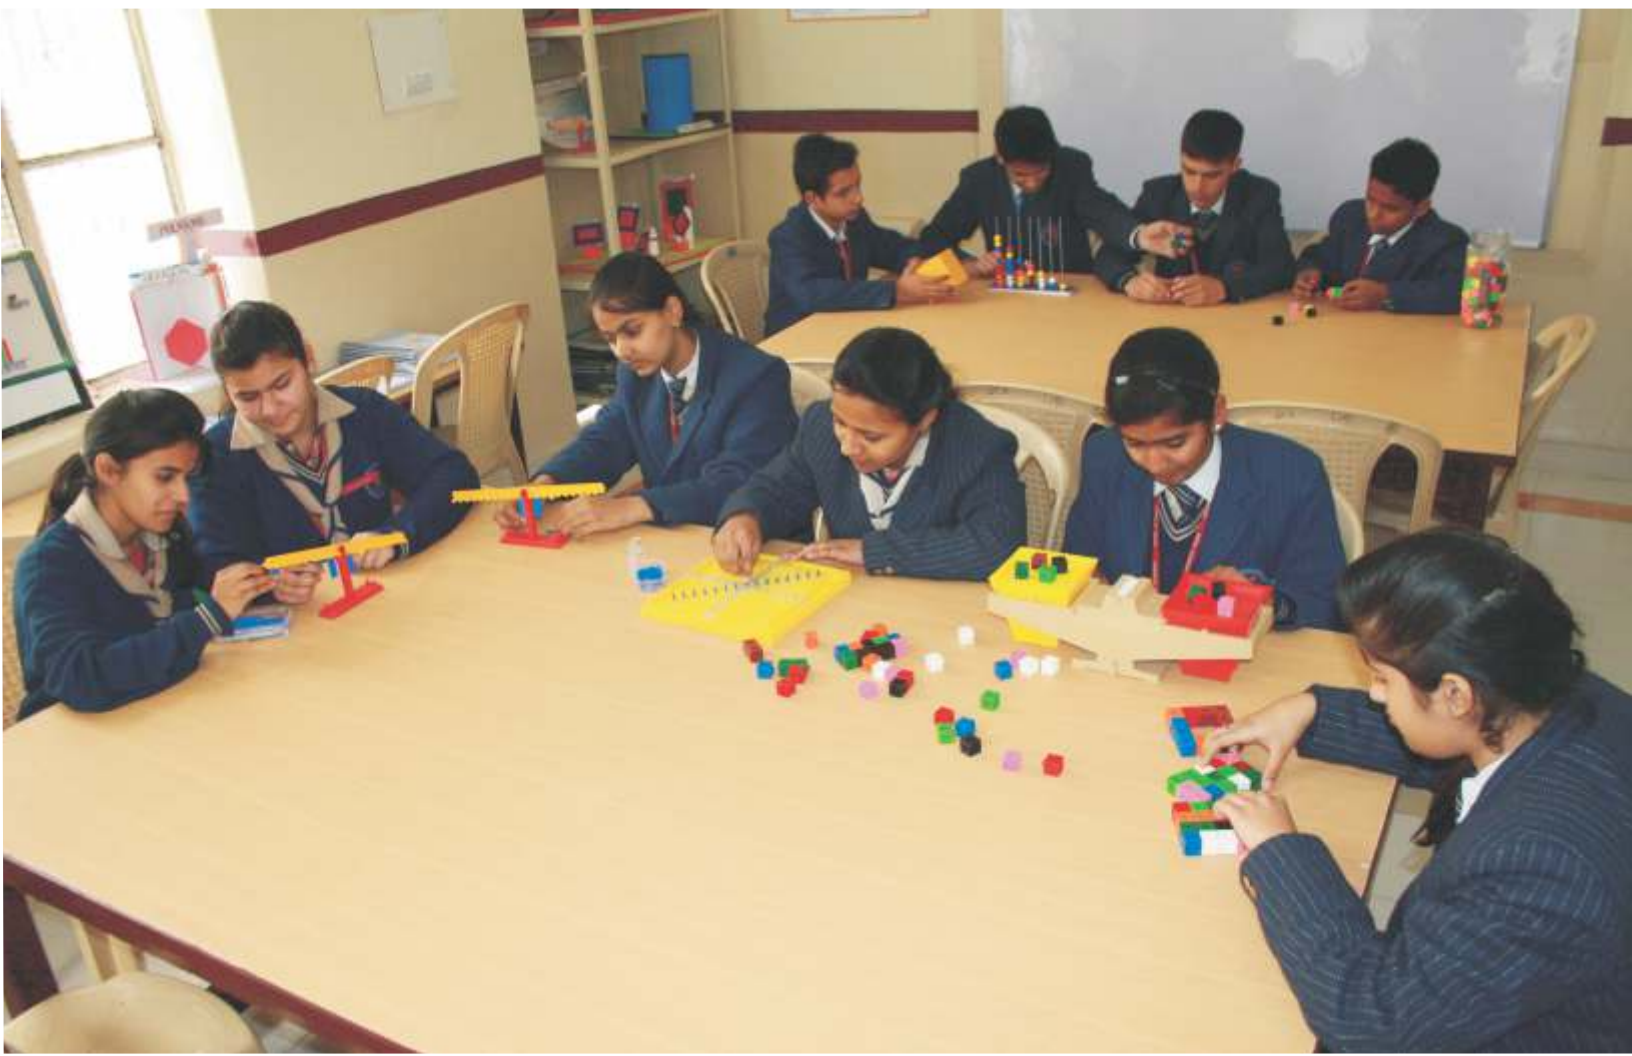

These labs have a unique collection of charts, models, slides and specimens as per the syllabus of each class. By working in the labs students learn how to make a scientific argument, conducting experiments, reviewing them closely and developing logical reasoning.

25-30 students can be accommodated at a time in each lab. During the practical periods, each class is divided into small groups for easy supervision. There are well-qualified lab assistants who help the teacher in demonstrating experiments and providing apparatus to the students.

Smart Classrooms

The school has Technology Enabled Classrooms equipped with Interactive Boards and Plasma TVs to make the day-to-day teaching learning process in the classroom more interactive, interesting and effective. These classrooms equipped with latest ICT tools help the students to comprehend difficult concepts, develop interest in various subjects, satisfy their curiosity and make the classroom learning environment more lively and fascinating.

The Smart Class programme is run through a knowledge centre which has a repository of over 35000 digital content in different subjects in the form of Presentations, Animations from Designmate, Videos from Britannica Encyclopedia and Discovery Channel etc.

Computer Labs Math Lab English Language Lab

Computer Labs

To enrich the students' learning process and make them tech savvy, there are two state of the art air conditioned Computer Laboratories in the school. They are equipped with computers and accessories in tune with the latest technologies and have a dedicated optical fiber based broadband Internet connection to cater to the educational needs of the students.

There are 40 computers in the two labs along with the latest licenced versions of the educational and computing software required for the students. Computers are used in combination with Interactive Whiteboards, LCD projectors for making teaching -learning process student centric.

Students also uses internet facility in the computer lab to browse information for their school projects and other educational activities.

English Language Lab

Model Academy is the first school in Jammu to have a Tablet based English language lab for improving the communication skills of its students.

The tablet-based solution by LIQVID, which is India's leading language skills development company, provides complete control in the hands of the teacher. The teachers are now able to provide individual attention to each student, and decides the pace of the lesson. Student's Tablets can connect to Teacher's Tablet wirelessly, enabling close teacher - student interaction in real time.

The language lab caters to the diverse population of students right from class 1st to class 12th and provides a large number of speaking / recording and video exercises. It would enable students to acquire correct language skills effectively.

Math Lab

The school Math Lab enables students to learn various mathematical concepts using over 1000 colourful collaborative activities and manipulatives.

The lab caters to the learning needs of students from class 1st to 10th and provides hands on experience for the students. Through visualization of math concepts in the lab the children relate to difficult concepts in mathematics more easily. This enhances their grasping capabilities and improves their memory.

Every topic has an assessment test to find out the level of understanding. Hundreds of interactive worksheets are available for practicing concepts that help develop high order thinking skills in the students. The content of the Math lab is aligned to topics as given in the school curriculum.

STUDENT SUPPORT

Counselling Cell
Transportation
Medical Facility
Bank Facility
Reprography Cell
Canteen

Counselling Cell

The Counselling Cell of the school organizes a number of career and vocational guidance activities for the benefit of the higher secondary students in a number of areas such as Engineering, Medicine, Armed Forces, Law, Hotel Management, Merchant Navy, Aviation and Tourism Industry etc. Various companies give presentations regarding different vocational avenues and interact with students in groups and on an individual basis.

The school has also created a database of various professional programmes being sought by the students.

Canteen

The school canteen provides a wide range of healthy and wholesome food at reasonable rates for the students and teachers. There is a well laid out seating arrangement for the students along with over the counter service for food items.

Transportation

School has its own fleet of buses plying on different routes fixed by the school authorities for the convenience of the students coming from many localities in and on the periphery of Jammu City. Parents are advised to check up with the office at the time of admission / registration / new session, regarding the availability of transport for his / her ward and charges thereof.

These facilities are being provided on yearly basis and no discontinuation in mid session is permissible.

Bank Facility

A full fledged branch of the Punjab National Bank functions in the school campus. This helps in providing all finance related facilities to both teachers and students. Special incentives are provided by the bank for students to open their accounts in the branch.

Dispensary

There is a well equipped dispensary in school manned by a registered medical practitioner that provides free First Aid treatment and also keeps track of students requiring follow up and reference to specialists. There is also a provision of Annual Medical Check up of all students. Besides this, doctors from various reputed hospitals keep visiting the school for various kinds of check-up of the students.

Reprographic Cell

The section provides printing, publishing facilities, scanning, photocopying, lamination and binding facilities to students and staff.

This Cell is equipped with the latest equipments and is geared for providing full DTP facilities to students and staff in line with modern trends.

RULES & REGULATIONS

Be Regular
Be Punctual
Respect your Teachers
Bring assignments / home work on time.
Treat everyone respectfully.
Do not bring mobiles in the classroom.
Come in proper uniform.
Do not stand in a huddle in the corridors.
Keep the classroom neat and clean.

Important Instructions

1. Parents are expected to co-operate with school authorities by enforcing regularity and discipline, by seeing that their children or wards prepare their lessons and by taking an active interest in the activities of the school.
2. Parents are advised that entries in the admission form especially with respect to Name, Date of Birth, Parentage and Address shall be duly verified by them and certified to be true.
3. Fees and other dues shall be paid by the 15th day of each month in school office. From 16th day of the month onwards, a late fee of Rs.50/- shall be charged for each month of delay or a part thereof.
4. No student will be allowed to sit for an examination if he/she has not cleared all school fees/arrears due to him/her before the start of that examination.
5. Fees and other dues once paid are non-refundable, non-transferable and no claim will be entertained in this respect.
6. Students are expected to follow instructions as are notified from time to time. School authorities can impose fine, suspend a student and in serious cases, even rusticate or expel him/her from the school. Strict disciplinary action shall be taken against students who remain habitually absent or irregular or who do not appear in the examinations/tests conducted by the school from time to time. A student remaining on unauthorised absence shall be liable to be struck off the rolls of the school.
7. Entry of visitors is strictly regulated within the premises, and rights of entry for visitors including parents are reserved on the discretion of the authorities. Parents visiting the school are not permitted to disturb the classes by entering the classrooms and indulging in discussion with the students, teachers or other visitors in the institutional area.
8. Parents who would like to drop their children/wards at the school in the morning or collect them after the school hours, are requested to collect them at the main gate and not enter the school premises. They should also desist from parking their vehicles near the main gate to avoid over crowding.
9. Parents are strongly recommended to supervise the studies of their children at home. They should sign all reports and notes sent to them in order to ascertain that they have seen the remarks. They should attend all Parent Teacher Meets to know about the performance of their child.
10. Rules and Regulations provided in this booklet are not exhaustive and complete. Parents are advised in their own interest to keep themselves abreast with latest changes, modifications in rules and regulations related to the education of their wards in the school and go through the school
